As the patron of The Giving Organisation, I would like to thank you for supporting South-African charities and putting precious time, effort and resources into this wonderful program.

I am privileged to work alongside and oversee the work of these amazing charities, and trust that you will experience the same joy observing these organisations create magic and transforms lives because of your kind contributions.

I would like to encourage you to join hands with us in making a difference and bringing hope to those who really need it.

We look forward to building on a legacy of goodwill for generations to come with your kind assistance.

Sincerely,

**HSH Princess Charlene**
